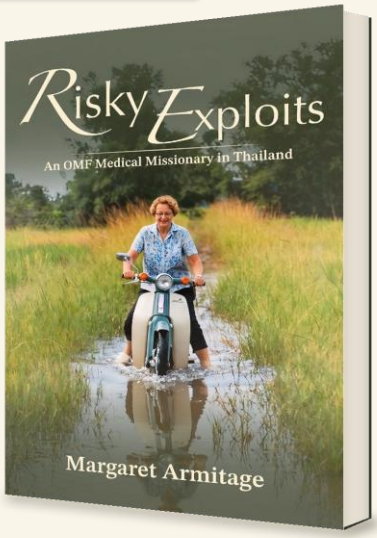
NEW BOOK – COMING 9 DECEMBER 2026

Risky Exploits

The extraordinary life of Margaret Armitage



From a Yorkshire childhood to 38 years of nursing in Central Thailand, Margaret Armitage tells her own story of faith, friendship and the risks she took to reach people affected by leprosy.

"Unless there is an element of risk in our exploits for God, there is no need for faith."

J. Hudson Taylor

Missionary nurse | **Caring for people with leprosy** | **Churches established** | **Honoured in Thailand**

Margaret and her colleagues brought medical and spiritual care to rural communities. Their leprosy team received Thailand's Order of the White Elephant.

Risky Exploits is available for pre-order worldwide on Amazon.

For media events or bulk sales, see RiskyExploits.com or email risky.exploits@gmail.com

PRAISE FOR RISKY EXPLOITS

"A book I gladly commend to any believer weighing what it might cost—and what it might yield—to take a risk for the sake of the gospel."

Dr Joseph Chang
OMF General Director

"Margaret Armitage shows what risk-taking with faith looks like in the purposes of a sovereign God."

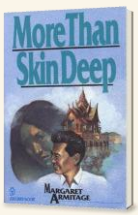
David Pickard
OMF General Director, 1991–2001

"An amazing story of one woman's tenacious faithfulness and obedience."

Irene McMahon
OMF UK Director

"An awe-inspiring, vividly written, adventurous, challenging life story of a 'well-done-good-and-faithful servant.'"

Ramon Rocha
Former CEO, OMF Literature



Also by Margaret Armitage

More Than Skin Deep

A fictionalised account following Lamon's medical treatment and spiritual journey in rural Thailand, the book also explores the lives of Samart and Tawat. A moving story of missionary medical work, faith, inner transformation and resilience in the face of physical hardship.

JOIN US FOR THE LAUNCH

A launch party is planned for January. Keep an eye on RiskyExploits.com for the date and details.

A story of faith, courage, compassion and lasting transformation.

All proceeds from the book will go to OMF continuing the work that meant so much to Margaret.
